

RESURRECTION
CATHOLIC SCHOOL

Empowering Students to Fulfill their Potential

Dear Resurrection Catholic School Families,

This year our Resurrection Catholic School community celebrates our faith as a constant source of hope, remembering that “we have this hope as an anchor to the soul, firm and secure” (Hebrews 6:19). Our school community thrives because of the deep dedication of our families, teachers, and supporters. It is through this dedication that our students continue to grow as mindful leaders with a vision of a better future.

Every year we work to make RCS as affordable as possible so that all students can benefit from this thriving community. At the heart of this work is our Annual Fund. The highest tier in our Stewardship tuition model covers only 65% of the true cost to educate a student at Resurrection Catholic School. The remaining balance required to educate and operate is covered through grants, diocesan funding, the PTO Assessment, and the RCS Annual Fund.

This year's Annual Fund goal is \$50,000. Thanks to your generous donations last year, the Annual Fund supplied teachers with enhanced professional development opportunities, provided adaptive technology to classrooms, opened access to individualized learning platforms, provided scholarships towards academics and field trips for numerous families in great need. By helping us achieve our goal this year, you are gifting children the opportunity to continue learning spiritually, academically, and socially in a loving Catholic environment.

Please consider investing in our shared vision today by making a tax-deductible donation to our Annual Fund. Each donation, no matter its size, helps us improve the education of our students and engage the local community in providing greater support for Catholic education.

Thank you for supporting our goal and sharing in our hope.
God Bless,

Gerry Janansky
Principal
