The A.C.E. Program at Resurrection Catholic School is provided for families who desire a Catholic School Education and supplementary daycare. We provide care, supervision, and recreation in a safe and structured environment. We offer a variety of activities that include arts and crafts, inside and outside recreation, games, books, and snacks. The number of students accepted in the A.C.E. Program will be limited. A.C.E. needs to be reserved for families who have no alternative childcare options.

Time is set aside for the children to begin their homework quietly. All children, from kindergarten to 8th grade, will be given a chance to work on homework.

*The fact that homework is started during A.C.E. does not lessen the parents' responsibility to ensure the completion of homework and to review what work was done.*

*The A.C.E. Program will be open on all days that RCS is in session. A.C.E. does not operate on school holidays or snow-closing days. In the case of a delayed opening, the morning A.C.E. Program will open late, as well. On half days, A.C.E. will run from dismissal until 6 pm, unless advised otherwise.*
